**CASE MANAGEMENT ORDER NO. 101
(DEADLINE TO AMEND PLEADINGS TO ADD GLAXOSMITHKLINE
CONSUMER HEALTHCARE HOLDINGS (US) LLC AND/OR
GLAXOSMITHKLINE CONSUMER HEALTH, INC.
AS A DEFENDANT)**

This MDL proceeding, In re: Proton-Pump Inhibitor Products Liability Litigation (No. II), was established by the Judicial Panel on Multidistrict Litigation almost 6 years ago, in August 2017, to coordinate claims alleging personal injury and wrongful death resulting from use of one or more proton-pump inhibitors (PPIs). Federal Rule of Civil Procedure 15(a)(2) permits a party to amend its pleadings with the court's leave, and it is well established that an MDL judge has inherent authority to manage the litigation. Considering the length of time this MDL has been pending, and the discovery completed thus far, this Court finds it appropriate at this time to establish a deadline after which Plaintiffs may not move to amend their pleadings in any filed cases to add GlaxoSmithKline Consumer Healthcare Holdings (US) LLC and/or GlaxoSmithKline Consumer Health, Inc. (collectively, "GSK Consumer

Healthcare”) as an additional defendant and hereby issues the following Case Management Order (“CMO”).

This Order applies to all filed cases on the docket in this MDL 2789 as of the date of this Order. This includes direct filed cases and cases transferred by the MDL Panel to this MDL pursuant to 28 U.S.C. §1407.

Any Plaintiff wishing to amend his or her pleadings to add GSK Consumer Healthcare as a defendant based on evidence that the Plaintiff or PPI User ingested Nexium® 24HR and/or Prevacid®24HR must file a motion seeking leave of Court to amend within thirty (30) days of entry of this Order. Such motion must include proof that the PPI User ingested Nexium® 24HR and/or Prevacid®24HR and must establish good cause why Plaintiff did not previously move to amend. To clarify, this Order shall not be construed to authorize any such amendments; to alter any applicable statutes of limitations, statutes of repose or tolling agreements; or to resuscitate an otherwise time-barred claim. If any such Plaintiff files a motion for leave to amend, the parties shall meet and confer on a schedule for GSK Consumer Healthcare’s oppositions to such motions, if any.

Additionally, this Order does not in any way alter, amend, or change a Plaintiff’s obligation to comply with any Plaintiff Fact Sheet-related requirements as set forth in CMO No. 9, and as amended in CMO No. 27.

IT IS SO ORDERED
SIGNED 26 day of June 2023.
